SCMS SCHOOL OF ENGINEERING AND TECHNOLOGY
DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

AI-BASED SECURE OT ACCESS WITH EXPLAINABLE INTRUSION DETECTION

Project Guide:
Dr. Dhanya K.A.
Assistant Professor
Dept. of Computer Science and Engineering
SSET

Project Members:
Nayif Muhammed C.M [SCM22CS157]
Praveen P.S [SCM22CS167]
Surya Gayathri [SCM22CS194]
Thaleedha C.S. [SCM22CS197]

INTRODUCTION

OBJECTIVE OF THE PROJECT

MOTIVATION OF THE PROJECT

CHALLENGES AND CONSIDERATIONS

ROAD MAP OF THE PROJECT (GANTT CHART)

REFERENCES

All students must include a **minimum of 10 references** in their project document. These references should be:

- **Clearly cited** in the relevant sections of your report (such as in the introduction, literature survey, methodology, or conclusion).
- **Properly numbered** in the reference list and **consistently referred** to in the main text using **square brackets** (e.g., [1], [2], [3], etc.).

Citation Guidelines:

- When referring to a particular idea, finding, or previous work in your content, mention it clearly using a sentence like:
  "Similar work has been carried out in the field of wireless sensor networks [3], highlighting the importance of energy-efficient routing."
- Make sure that every reference listed at the end of your document is **actually cited** within the content. Avoid listing unused references.
- Cite multiple references like this: *[2], [4], [7]*.

INSTRUCTIONS FOR SEMINAR/PROJECT PPT PREPARATION

All students are required to prepare a **standardized PowerPoint presentation** for their seminar. Follow the instructions below strictly to maintain uniformity and professionalism:

1. Font and Formatting Guidelines

- **Font Style**: Times New Roman (throughout the presentation)
- **Font Size**:
  - **Headings**: Font size **36**, **Bold**
  - **Body Text**: Font size **20**
- **Text Style**: Use **rounded bullets** for all points.
  No paragraphs are allowed—**only concise bullet points** should be used.
- **Text Alignment**: Align **all content as JUSTIFIED** (both left and right edges aligned)

2. Slide Design and Structure

- **Header (Top of Every Slide)**:
  "TITLE OF THE PROJECT" (in uppercase)
- **Footer (Bottom of Every Slide)**:
  Department of Computer Science and Engineering, SSET
- **Date and Slide Number**:
  Ensure both **date** and **slide number** appear on **every slide**.
- **Slide Background**: Use a **professional and clean template** (preferably white or light background with dark text for visibility).
- **Maximum Number of Slides**: **20 slides**
- **Total Presentation Duration**: **20 minutes**
